Combine horse riding and high scho

Rautalampi Upper Secondary School is Finland's first and largest riding upper secondary school

With us, you can continue your beloved hobby or gain a foundation for a future profession.

Our upper secondary school has the widest selection of equine-related courses in Finland, a total of 34 ECTS credits. You can choose from:

- ♥ 16 credits of horse riding
 - includes hiking horseback riding as well as courses related to competition and coaching
- ♥ 18 ECTS credits of horse theory, e.g.
 - horse training and coaching
 - horse care, feeding and equine health care

With us, you can ride free of charge every week throughout high school. In riding, the rider's starting points and personal goals are always taken into account.

Riding and equine theory studies at the upper secondary school are provided by the Wanha Riding Centre (WRK) – a high-quality SRL-approved riding school within walking distance of the upper secondary school.

- ♥ The instruction is provided by a master-level riding instructor.
- ♥ Bright manege 64 x 24 m, large outdoor field, terrain obstacles, ford and riding trails total approx. 60 km.
- ♥ The stable has 29 stalls and 2 saddle rooms.
- ♥ You can bring your own horse, stable places are rented by Wanha Equestrian Centre.

Are you interested in theatre?

- ♥ At Rautalampi Upper Secondary School, you can complete up to 10 courses of theatre-related studies.
- ♥ The upper secondary school's own Saddle Theatre has also produced musicals and achieved success at youth theatrefestivals.
- ♥ You do not need any previous experience in theatre or performance.
- ♥ Courses can also be completed, for example, in scenography or technology.
